Cash Money Statement

Dear Fintiba team,
Thanks for your assistance

I, [Your First Name] [Your Last Name], born on [Day].[Month].[Year], my ID number [Your ID Number] and my passport number [Your Passport Number] declare and confirm the following:

Regarding the source of my funds, I sold my [Your Sold Property] on [Day].[Month].[Year] for [Amount in Words] [Your Country Currency] which equals [Amount in Dollar] dollar.

, and kept the money in cash, since such large sums cannot be deposited for a long time in banks here in Syria because they are able to collapse at any moment due to economic instability.

I used the money for my study purposes in Germany, and I've sent you the outright sale contract .

On [Day].[Month].[Year] I deposited [Amount you deposit in Dollar] dollar in my bank account in [the Bank you deposited money in] in [Your Country], and then transferred [Amount in Dollar] which equals [Amount in Euros] euros to my Fintiba blocked account. The bank transfer was established on [Day].[Month].[Year]

Conclusion: The money has been kept in cash for [Number of Days] days, and the reason is the economic instability. I attached the outright contract for my [Your Sold Property] and a Statement of my account.

Best regards
